Liggett's Orangeade

We believe that Orangeade should be made from FRESH FRUIT, and from a WHOLE Orange and not fortified with extracts. In making Liggett's Orangeade only select fruit is used. By special process the juice of this fruit and the aromatic oil from the orange peel are extracted and by a special formula are incorporated with syrup, delicately flavored and served to you as a delightful, wholesome beverage.

Heart of Humanity

In a little picturesque village in the Canadian woods lives Nanette, the ward of Father Micheal, the parish priest. She is engaged to John one of the five sons of Widow Patricia. John returns from college and brings with him, as traveling companion, Oscar Strang. Oscar makes love to her but Nanette never falters in her love for

Then comes the war. Widow Pa tricia gives her five sons. John and Nanette are married before he goes as an aviator in the Canadian forces. One by one the widow hears of the death of four of her boys. Nanette, a mother now, reads in her husband's letters of the terrible suffering endured by French and Belgian children. She leaves her baby with her mother-in-law and goes abroad as a Red (ross nurse.

Nanette sees John but once. She is on duty in a convent that has been put to use as an asylum of refuge for children. Soon afterward John's airplane is brought down inside the German lines and he is made a prisoner. In their advance toward Paris, the Germans capture the little town in which Nanette is in service. Among the enemies is Oscar Strang, now a German officer. Nanette is captured.

In the meantime, John has escaped from the German prison and goes, in German uniform, to seek Nanette in the convent. After a thrilling fight he Homer, of Lake Orion, are visiting Mrs breaks into the room where Strang and Nanette are struggling. He kills Strang and rescues his wife, but not until she had plunged a dagger into her breast.

She does not die, however. The con clusion of the story is depicted in "The Heart of Humanity," which has been described as the greatest screen production since "The Birth of a Nation," with Dorothy Phillips in the leading
